MASTER

Ideal Foot Support for Work Boots, Hiking Boots and Athletic Shoes

Master combines a natural, abrasion proof, shock absorbing, upper layer (which prevents “hot spots” and insures air circulation) with an orthotic that supports the metatarsal bones, the longitudinal arch and cushions the heel.

Pedag Master....

- For work boots, hiking boots, athletic shoes and comfort shoes. Prevents “Hot Spots”.
- Natural jute-felt absorbs shock and excessive humidity: creates a stable climate in the shoe regardless of the weather
- Metatarsal Support, Arch Support and Heel Cushion
- Antibacterial finish prevents odors and the growth of bacteria

MASTER Art. 186

VITALITY

Innovative foot support for “sockless” and odor-free feet. Long lasting hygiene with Silver Ions!

Vitality provides support for the longitudinal and metatarsal arches and cushions the heel. Silver Ions, embedded using NANO-Technology, kill germs and bacteria for fresher shoes and healthier feet.

Pedag Vitality with NANO -Technology...

- Prevents odor and bacteria growth by means of Silver Ions
- **Permanent** antimicrobial action even after long wear and regular washing
- Metatarsal Support, Arch Support and Heel Cushion
- Hand washable
- Natural cotton terry and “breathable” sisal fibers
