Naturally Warm...

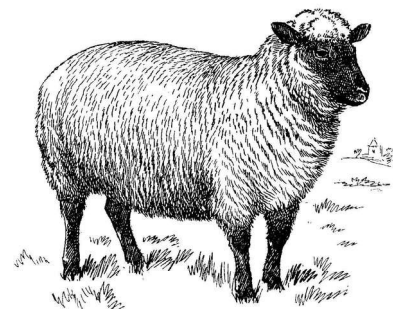

Pascha is ideal for winter shoes and boots. The luxurious, soft lambskin in Pedag Pascha assures cozy warmth. The cork base insulates naturally against cold from the ground outside helping to keep the feet warm. Pascha is treated with anti-bacterial agents to help maintain a healthy climate inside shoes and boots.

Pedag Pascha....

- For winter shoes and boots
- Plush, soft lambskin
- Cork base
- Sanitized with an antibacterial finish
-

Art. 130

Pedag works almost exclusively with top quality, actively breathing, natural materials such as leather, pure wool, genuine lambskin, cotton, sisal and cork.

Represented in the US exclusively
