

Summer feeling with no regrets with Pedag SOFT FLIP

- Great solution for sandals with toe posts.
- Prevents the constant rubbing of the toe peg.
- Protects the sensitive skin between the big and second toe.
- Acts as a cushioning forefoot pad.
- Prevents burning in the stressed balls of the feet.
- Ensures relaxed walking.
- Self-adhesive.
- One Size.

Soft Flip Art. 178

Test results prove: Pedag Soft Flip Gel material causes no skin reaction so even “persons with sensitive skin can maintain extended and direct skin contact.”
