The VIVA-Family in summary

One VIVA for every climate ...

VIVA
The comfort foot support

Threefold comfort plus hygiene all year round:

- gentle cow hide
- extra thin
- highly efficient active-carbon filter prevents odour

Art. 187

VIVA WINTER
The thermo foot support

Threefold comfort with winter equipment:

- 100% pure wool
- high-tech foam insulates effectively
- aluminium foil reflects coldness from the bottom

Art. 198

VIVA SUMMER
The fresh foot support

Threefold comfort for barefoot sector:

- absorbent terry cloth
- breathing sisal fibers
- silver prevents foot odour (VIVA SUMMER BLACK, Art. 2883, without silver)

Art. 183

VIVA OUTDOOR
The active foot support

Threefold comfort plus special features for leisure and working:

- absorbent & breathing fibers
- highly efficient active-carbon filter prevents odour

Art. 186

... and every foot

VIVA HIGH
The special foot support

- for your customers with distinctive high arch (hollow foot)
- features such as Art. 187

Art. 189 available from 01/2011

VIVA MINI
The short foot support

Threefold comfort

- for customers, who originally don't have space for an arch support in their shoes
- gentle cow hide

Art. 179

TIPS:

- Offer to test the comfort by right-left-comparison: put only into one shoe a foot support and let experience the difference.
- When you speak to a satisfied customer of VIVA: recommend also the other family members for well-being - for any weather and any activity.
