

The innovative foot support for the barefoot season

- ① Bioactive cotton terry
- ② Natural, durable sisal fibers
- ③ Heel cushion
- ④ Metatarsal pad
- ⑤ Semi rigid arch and plantar support

- ① *Trevira Bioactive terry cloth:*
 - Permanent antimicrobial action due to nano sized silver ions even after long-time use and occasional washing
 - Minimizes the risk of bacterial contamination, prevents odor build-up
 - Is kind to the skin and absorbs moisture
- ② *Breathable natural fibres keep the foot fresh and comfortable*
- ③ *The heel pad absorbs shock, relieves the heel, joints, hip, spine and neck*
- ④ *The metatarsal pad prevents and alleviates symptoms of flattening forefoot arch*
- ⑤ *The anatomically shaped design efficiently supports the longitudinal arch and prevents symptoms of fatigue*

Sizes available 35 – 48

- Feel the difference ▶ Feel the comfort: Put one foot support into the left shoe and compare left and right. Feel the arch support, metatarsal pad and heel cushion.
- Benefits ▶ Great for warm weather-with or without socks
- ▶ Wear on vacation-great for travel, cruising, tennis, golf ...
- ▶ Keep active longer: Prevents short term fatigue and long term problems. Prevention is better than cure.
- Tip ▶ Please air after each use!
- ▶ Hand washable
